

Meet and Greet

Come along and meet your new housing provider

Bridge Housing and the Women's Housing Company invite you to a special information session.

As you know Bridge Housing or the Women's Housing Company will be managing your housing from August 2019. We would like to invite you to a "meet and greet" so you can get to know us a little better.

You will hear from David White from the Tenant Participation Resource Service, Bridge Housing, the Women's Housing Company, and FACS staff.

All the sessions will have the same format so you only need to come to one. Come along and get all your questions answered - we would love to see you there.

Tenants and staff at a Bridge Housing event

Refreshments
and lucky door
prizes at each
event.
